

Niue Smart Portable Power Wholesale

How did New Zealand support Niue's battery energy storage system?

In addition to Australia's support, the New Zealand Government contributed \$2.5 million to relocate and restore Niue's Battery Energy Storage System (BESS).

This funding has allowed the Ministry to repair the grid control system, procure necessary fuel tanks, and install cabling and connections.

What does the Minister of infrastructure say about Niue's New Power Station?

The Minister of Infrastructure, Hon.

Crossley Tatu extended his appreciation to the Australian and New Zealand Governments, saying, "The construction of this new power station is a vital piece of infrastructure for Niue's development and well-being.

This achievement would not have been possible without the support of our regional partners."

When is Niue's New Power Station launching?

The Ministry of Infrastructure celebrated the successful launch of Niue's New Power Station on the 7th November 2024.

The launch marks a crucial milestone in Niue's journey to strengthen and modernize its energy infrastructure.
