

Station de base de Vanuatu New Energy

What is the Vanuatu energy road map?

This project has been implemented by the Ministry of Climate Change, with support from the United Nations Development Programme (UNDP) and funding from the Government of Austria. This project is aligned to the Government of Vanuatu's National Energy Road Map for increasing the energy access for rural communities in Vanuatu.

Will solar power boost Vanuatu's energy independence and climate resilience?

The project aims to support the use of solar power and battery storage on the islands of Efate and Tanna, boosting Vanuatu's energy independence and climate resilience. New Zealand's Deputy Prime Minister and Minister for Foreign Affairs, Winston Peters, confirmed the country's commitment during a press conference held in Port Vila on Wednesday.

What is a Vanuatu solar PV system?

This project is aligned to the Government of Vanuatu's National Energy Road Map for increasing the energy access for rural communities in Vanuatu.

The installed solar PV system is a stand-alone 230/400 VAC 50 Hz solar micro-grid combined with 48V batteries operating 24 hours and 7 days a week.

Does Vanuatu have a Power Cooperative?

Throughout the first year of operation, the local energy service company will provide free maintenance and train members of the local communities to operate and maintain the power station. This is the first-ever power cooperative for Vanuatu's last mile communities.

Does Vanuatu have a green energy fund?

With the National Green Energy Fund established and functioning, Vanuatu is well positioned to deliver renewable energy access and achieve energy savings across key economic sectors including water, agriculture, fisheries, and tourism.

Will New Zealand help build resilience in Vanuatu?

We are pleased to announce that New Zealand will also be the lead donor to RESSET, a renewable energy project on Efate and Tanna.

Together with initiatives like these, we continue to work together to build resilience in Vanuatu's long-term development," Mr.

Peters said.
